

Acando in Five Minutes

Acando is a Global Business Management and IT Consultancy company that identifies and implements sustainable business improvements through information enabled by technology. Our head office is based in Stockholm, Sweden and as a group we operate out of 7 countries in 19 offices; with a turnover of over 135 million Euros, we employ over 1,100 professional consultants across the group.

WHAT OUR CUSTOMERS SAY ABOUT US

»With assistance from Acando we have raised our efficiency. I am very satisfied with Acando's work.«

Goodyear

»So far our expectations have been met and our cooperation with Acando has worked really well.«

Volvo

»Acando's philosophy is perfect for us. Acando is our closest strategic partner who acts objectively in their role of consultancy. This is noticeable, for example, when they propose solutions that do not involve them as suppliers. This generates security and strengthens the bonds in our partnership.«

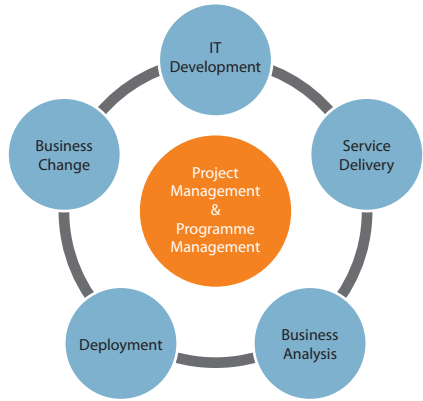

Stena Line

»We selected Acando for various reasons, but primarily because of the company's competence. The consultants show respect when confronted with the difficult tasks and are very capable of managing the process in order to achieve good results in a short space of time.«

SKF
